Additional Services

Free Mulch Program

The City makes free leaf mulch available to residents each year after the Fall Leaf Vacuuming Program is completed. Delivery service is available for a fee. Contact Park Operations at (314) 655-3656 from October through February for details or visit www.richmondheights.org.

Tree Limbs

Homeowners are responsible for maintaining trees located on their property. Allied Waste will pick up broken branches, limbs and twigs that are properly bundled and placed at the curb on your regularly scheduled yard waste & recycling day.

The City is responsible for trees planted on tree-lawn areas between curbs and sidewalks. If you have questions or problems with a City tree, call Park Operations at (314) 655-3656.
