Definition of Age Categories and Families

A Resident Family consists of the members of a household who live within the cities of Richmond Heights or Maplewood. Members must be identified at time of registration by occupancy permit.

Brentwood Residents may receive resident rates for daily passes or memberships. To receive the resident daily fee you must have an ID card.

A Non-resident Family consists of two adults and two dependent children residing in the same residence. Additional family members, living at the same address, may be added for \$30 each.

Youth Daily Fees are intended for gymnasium and pool use only. Youths, 14 and 15, may use the fitness center after successfully completing a weight training orientation class; see page 13.

Youths, 10 years and older, may use the facility without an adult. **Children**, 9 years and younger require adult supervision, or may play in the supervised "For Kids Only" area for an additional fee.

Inclusion Services

The Cities of Brentwood, Maplewood, and Richmond Heights support the Americans with Disabilities Act and welcome everyone to participate regardless of race, religion, sex, national origin or disability. Scholarships

Because some residents of Maplewood and Richmond Heights may be unable to participate in programs or services due to economic hardship, the cities provide a scholarship program to reduce fees. Applications and guidelines are available at the Guest Services Desk. Scholarships apply for programs and memberships only and do not apply to supply fees, excursions, or facility rentals. Limited funding is available.

Insurance Plan- Discounted Memberships

Ask your health care provider if they offer Silver Sneakers, Healthways Prime or Silver and Fit. You may be entitled to a free membership.

Guest Check-In Policy

All non-members will need to check-in at the front desk using our new check-in computer system. This system allows for us to keep better track of daily paying guests. Due to a computer crash last year we were unable to retrieve any of our past data. If you have scanned in using this system before we will ask for you to do it again. On your first visit to THE HEIGHTS, on or after June 1st, please come prepared with your driver's license and proof of residency, if you are a resident. Proof of residency consists of an unpaid utility bill, occupancy permit, or personal property tax receipt. After your first visit you will not need to bring these items again. You will simply scan your finger, pay your fee, and enter for the day. We thank you in advance for your patience and understanding.

Weekend Non-resident Policy

In order to better serve our members and residents, weekend admission will be restricted to residents and members of THE HEIGHTS. Members may sponsor one daily visitor per day. Guest must bring an ID, check in at the Front Desk and pay the daily rate. All guests must be accompanied by a member.
